

OUTLOOK EXPRESS

podešavanje parametara

- Pokrenite program dvostrukim klikom na ikonu ili tako što ćete kliknuti jednom na ekranski taster **Start**, te odabrati **Programs > Outlook Express**.
- Na glavnom meniju programa odaberite meni **Tools** pa potom komandu **Accounts** sa tog menija.
- U otvorenom dialog okviru kliknite jednom na karticu **Mail**. Kliknite jednom na ekranski taster **Add**, potom na taster **Mail...** na meniju koji se pojavi.
- Pokrenuli ste Internet Connection Wizard i prvi korak (Your Name) traži od Vas da unesete svoje ime i prezime.

The screenshot shows a window titled "Internet Connection Wizard" with a close button in the top right corner. The main area is titled "Your Name" and contains the following text: "When you send e-mail, your name will appear in the From field of the outgoing message. Type your name as you would like it to appear." Below this text is a text input field with the label "Display name:" and the text "Marko Markovic" entered. Underneath the input field is the example text "For example: John Smith". At the bottom of the window are three buttons: "< Back", "Next >", and "Cancel".

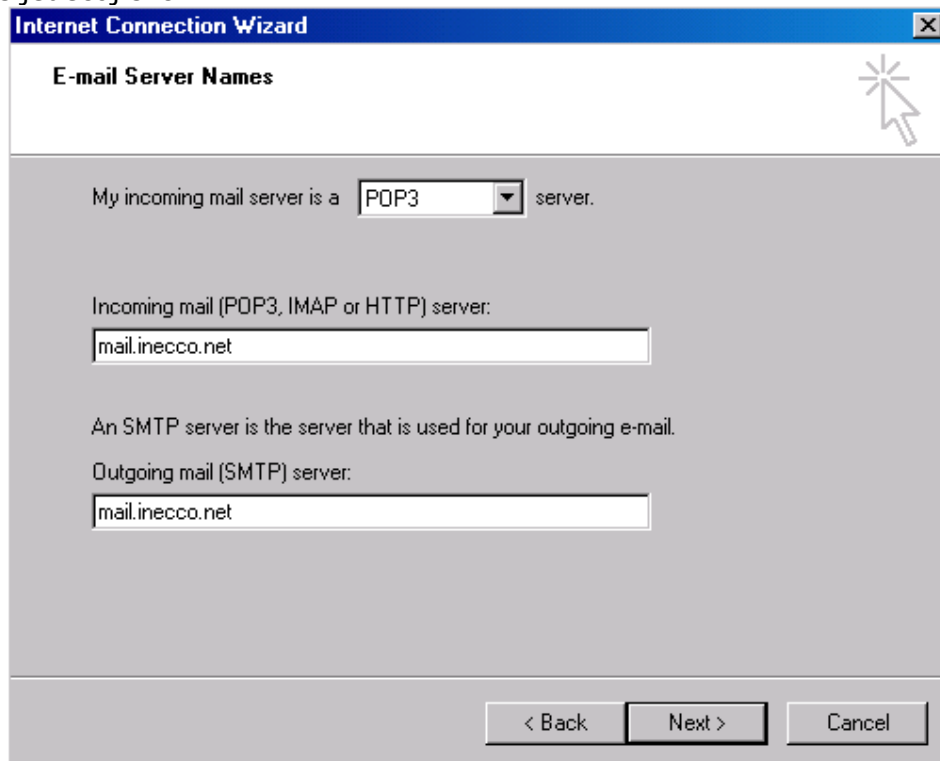

- Drugi korak, nakon klika na Next, **Internet E-mail Address** traži od Vas da unesete e-mail adresu kojom se predstavljate kao pošiljalac elektronske pošte. Obično je to e-mail adresa koju dobijete na formularu prilikom otvaranja naloga na Inecco.net ISP.

The image shows a screenshot of a Windows-style dialog box titled "Internet Connection Wizard" with a sub-header "Internet E-mail Address". The dialog box contains the following elements:

- A title bar with the text "Internet Connection Wizard" and a close button (X).
- A sub-header "Internet E-mail Address" in the top left corner.
- A mouse cursor icon in the top right corner.
- A paragraph of text: "Your e-mail address is the address other people use to send e-mail messages to you."
- A radio button selected next to the text: "I already have an e-mail address that I'd like to use."
- A text input field labeled "E-mail address:" containing the text "marko.m@inecco.net".
- A small example text below the input field: "For example: someone@microsoft.com".
- A second radio button next to the text: "I'd like to sign up for a new account from:".
- A dropdown menu next to the second radio button, currently showing "Hotmail".
- At the bottom, three buttons: "< Back", "Next >", and "Cancel".

● **E-mail Server Names** je veoma bitan korak pri konfigurisanju mail klijenta, stoga vodite računa da parametre postavite tačno kao što je prikazano na sljedećoj slici:

Internet Connection Wizard

E-mail Server Names

My incoming mail server is a server.

Incoming mail (POP3, IMAP or HTTP) server:

An SMTP server is the server that is used for your outgoing e-mail.

Outgoing mail (SMTP) server:

< Back Next > Cancel

tj. za

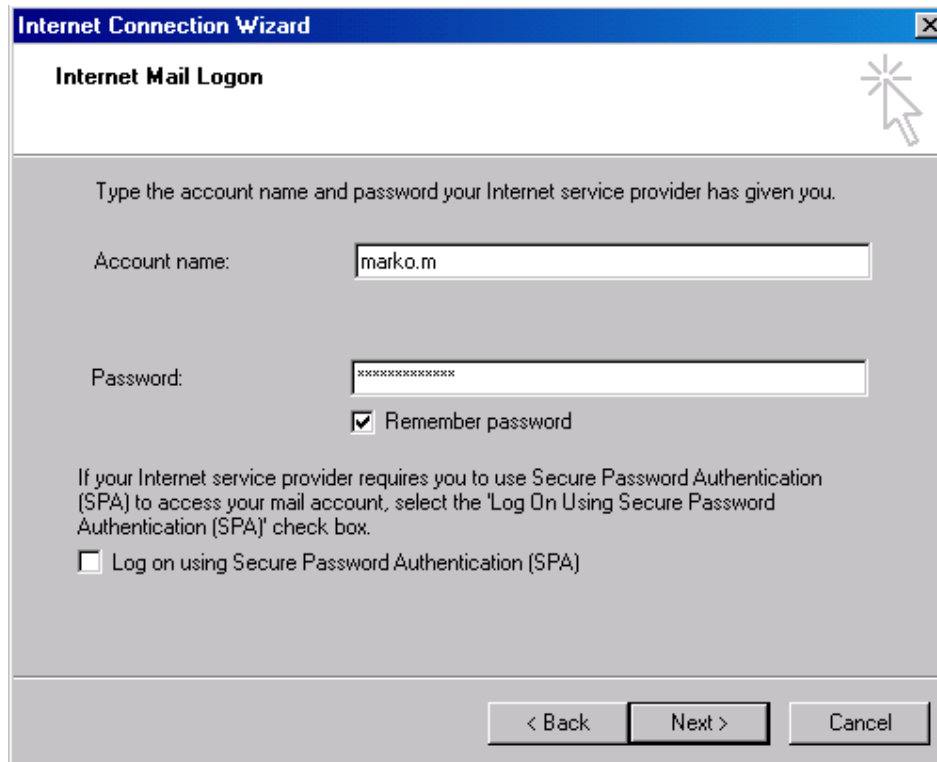

Incoming mail server upišite:

mail.inecco.net

i za Outgoing mail server upišite:

mail.inecco.net

- U sljedećem koraku, **Internet Mail Logon**, unesite Vaše korisničko ime i lozinku ukoliko je ne želite unositi svaki put kada preuzimate elektronsku poštu sa servera. Ukoliko se odlučite da ne unesete lozinku, isključite opciju Remember password

The screenshot shows a Windows dialog box titled "Internet Connection Wizard" with a sub-header "Internet Mail Logon". The main text reads: "Type the account name and password your Internet service provider has given you." There are two input fields: "Account name:" containing "marko.m" and "Password:" containing "xxxxxxxxxx". Below the password field is a checked checkbox labeled "Remember password". At the bottom, there is a paragraph of text: "If your Internet service provider requires you to use Secure Password Authentication (SPA) to access your mail account, select the 'Log On Using Secure Password Authentication (SPA)' check box." followed by an unchecked checkbox labeled "Log on using Secure Password Authentication (SPA)". At the very bottom are three buttons: "< Back", "Next >", and "Cancel".

- Konačno, u zadnjem koraku čarobnjaka kliknite na ekranski taster **Finish**. Konfigurisali ste novi nalog za rad sa elektronskom poštom kojeg možete vidjeti u okviru **Internet Accounts** i koji se zove **mail.inecco.net**.

Ako želite provjeriti da li ste tačno unijeli parametre u podešavanju Vašeg novog naloga, selektujte ime Vašeg naloga (mail.inecco.net) u okviru i kliknite na taster **Properties**. Na kartici **General** možete promijeniti ime naloga, te e-mail adresu kojom se predstavljate kao pošiljalac. Na kartici **Servers** možete provjeriti da li su unosi za nazive mail servera tačni, te promijeniti lozinku.
